Release

smarties89

Apr 30, 2017

Contents:

1	mps package	3
1.1	Submodules	3
1.2	mps.countries module	3
1.3	mps.days module	3
1.4	mps.deco_logger module	3
1.5	mps.eprint module	3
1.6	mps.errorrecoveryfile module	3
1.7	mps.hdcache module	3
1.8	mps.mwt module	3
1.9	mps.randstr module	3
1.10	mps.test module	3
2	Indices and tables	5

My Python Snippets is a collection of nice to have and missing batteries for Python. The goal of this package is to increase developer productivity. This is done by providing often used functionality together with tools for development.

Submodules

mps.countries module

mps.days module

mps.deco_logger module

mps.eprint module

mps.errorrecoveryfile module

mps.hdcache module

mps.mwt module

mps.randstr module

mps.test module

CHAPTER 2

Indices and tables

- `genindex`
- `modindex`
- `search`
